NEW!!!

PLAY'S THE THING

By popular demand, you know you have always wanted to do a play at Persephone Theatre, so let's do one! This summer we are excited to see you perform *The Ash Girl* by Timberlake Wertenbaker. In just over three weeks we will go through the processes of: auditioning; rehearsals; designing the set, costumes, sound, and lights; stage management; and program design. *Audition sides will be sent in advance, and parts will be assigned by audition. Consistent attendance is required.*

ARTS IMMERSION AT RIVER LANDING

½ day spent at Persephone Theatre and ½ day at Remail Modern, with a performance and display of creations on Friday for friends and family.

LIVE FROM PERSEPHONE, IT'S RADIO THEATRE

Imagine a world of sound, story, and the creation of world we can't see, but can only hear. Develop and use story-telling and performance skills that build a tale ready for podcasting. Get your story out there into the great beyond!
